1) GENERAL BACKGROUND

The United Nations Capital Development Fund (UNCDF) is the UN's capital investment agency for the world's 47 least developed countries. With its capital mandate and instruments, UNCDF offers "last mile" finance models that unlock public and private financial resources, especially at the domestic level, to reduce poverty and support local economic development. In Bangladesh, UNCDF is supporting initiatives designed to unlock the flow of domestic and private sector capital to invest in infrastructure and service projects needed to accelerate local economic development and private sector development. By strengthening how finance works at the local level, UNCDF contributes to SDG 1 (no poverty), 5 (gender equality), 8 (decent work and economic growth), 11 (resilient cities), and 17 (unlocking public & private finance for the poor at the local level) on the means of implementation by identifying those market segments where innovative financing models can have transformational impact in helping reach the last mile and address exclusion and gender inequalities of access.

UNCDF is embarking on the implementation of its 'Expanding Financial Access & Digital and Financial Literacy for Refugees' programme in Rwanda's in and around selected refugee camps. The programme aims to increase access to finance for refugees through savings groups, financial education, and digital literacy.

UNCDF Rwanda is seeking for an intern to provide support in the area of Programme Development & Communications and in Financial and Digital Literacy in Rwanda. The intern will work under the direct supervision of UNCDF's Programme Coordinator based in Kigali, Rwanda, and general guidance of the UNCDF Programme Specialist, based in Tanzania.
